

Job day weather decision record

Use this checklist for the actual service, product, site and jurisdiction. Leave missing evidence unresolved until the responsible person confirms it. Record the decision and its source before proceeding.

Business job date and responsible person

-
- ☐ Record site, date, forecast source and issue time.
 - ☐ Retain the exact product and application-specific limits.
 - ☐ Measure site air and pavement conditions using a recorded method.
 - ☐ Check rain, wind and forecast conditions through the required application and cure period.
 - ☐ Compare measured conditions with each applicable product limit.
 - ☐ Record proceed, hold or reschedule and the responsible decision maker.
 - ☐ Notify the customer of closure or schedule changes.
 - ☐ Save later readings, changes and reopening approval.

Unresolved items evidence and next action

Decision owner and follow up date

Sources and record notes

Author NPMCA. Worksheet version 1.0; guide record as of 2026-10-11. Technical limits and prices must come from the exact current product instructions, official rule or dated written quote.
